- There are 3 tinted shields available for this model
- A clear coat finish to protect paint & graphics
- A large-size FX-99 weighs 1.37 kg or 3.00 lbs.
- Available size: XS-XXL

REMOVABLE, WASHABLE AND CUSTOM SIZABLE INTERIOR

AFX helmet liners and cheek pads are made with a hypoallergenic and anti-microbial moisture wicking nylon, most of which are removable and washable.

The size of this helmet is based on a combination of four factors: outer shell size, inner EPS thickness, comfort liner thickness and cheek pad thickness. The fit of the helmet can be customized by replacing your existing cheek pads with thinner cheek pads (for a looser fit) or thicker cheek pads (for a tighter fit). The fit can also be customized by replacing your existing comfort liner with a thinner comfort liner (for a looser fit) or thicker comfort liner (for a tighter fit).

Please refer to the shell, liner and cheek pad compatibility chart below. Keep in mind these components can only be replaced inside the group of sizes contained in each size range block.

HELMET SHELL & EPS SIZE	XXS OPTION	XS	S	M	L	XL	XXL	XXXL OPTION
CHEEK PAD THICKNESS (MM)	45	40	30	25	45	40	30	20
COMFORT LINER THICKNESS (MM)	20	18	16	14	16	14	12	8
